## Find the Main Idea

# THE HURRICANE

At first the sky looked like it would be just another storm but though the rain started slowly it soon began pouring down. They could hear the wind blowing against the windows. The thunder shook the house while lightning lit up the sky. Thankfully by the morning the wind had died down and the rain stopped. Everyone was very happy the hurricane was over.

**What is the main idea? Circle the correct answer.**

- A. The thunder rumbled outside.
- B. The rain stopped.
- C. It was just like any other storm.
- D. The hurricane was very powerful.

**Write two details in the story in the boxes.**
